火鍋米線由重慶小麵(米線)風味延展而來,是極具特色的新式美食。核心在將滑爽米線(麵)與火鍋湯底巧妙融合。我們烹製多款經典口味:麻辣火鍋、牛大骨湯、貴州酸湯、日光番茄等,既保留了重慶風味鮮香的精髓,兼顧辣與不辣的多元口感,現燙現煮,新鮮健康,一碗即滿足。

Hot pot rice noodles evolved from the flavor of Chongqing noodles (rice noodles), making them a unique modern delicacy. Its essence lies in the ingenious combination of smooth, chewy rice noodles and rich hot pot broth.

We prepare a wide range of classic flavors, including Spicy Hot Pot, Beef Bone Broth, Guizhou Sour Soup, and Sun-Ripened Tomato. These dishes retain the core savory and aromatic characteristics of authentic Chongqing cuisine, with options for both spicy and mild palates. Freshly cooked to order, each bowl is wholesome, healthy and utterly satisfying.
